THE CYBERTECH ADVANTAGE

Creating Business Networking Opportunities Across Borders. All at the Forefront of Global Cyber Innovation.

You're in the business of cyber. We live it. So, why not indulge in all the benefits that the industry has to offer? Introducing Cybertech, the cyber industry's foremost B2B networking platform featuring cutting-edge content by top executives, government officials, and leading decision-makers from the world of cyber.

From Tel Aviv and Rome to Tokyo, Singapore, Panama, and more, our conferences and exhibitions serve as the go-to place for all the latest updates on innovations, threats, and solutions facing the global cyber arena.

Cybertech Africa 2020, taking place on March 24-25th at the Kigali Convention Center in Rwanda, will be the first conference of its kind in the region.

From lectures to plenary sessions and VIP speakers, Cybertech Africa 2020 will feature an extensive exhibition for multinational companies and SMBs alike, as well as a Startup Pavilion, where young and innovative startups display their cutting-edge technologies. As a leading platform for exchanging ideas, networking and B2B opportunities for players in cyber, Cybertech Africa will look ahead at the future cyber trends and developments that are expected in sectors such as agriculture, healthcare, finance, security, and more.

At Cybertech, we are in the business of connecting people with one another. Our thought-

provoking conferences and exhibitions set the stage for influential speakers and panelists that are the brains behind the most innovative and advanced new cyber technologies.

Cyber. We Live it. Breathe it. Setting the stage for global cyber innovations and solutions.
